 FAX 0566-92-7002

Nissei Corporation is pleased to announce its participation in the INTERNATIONAL ROBOT EXHIBITION starting November 29 through December 2 at Tokyo big sight.

<http://biz.nikkan.co.jp/eve/irex/english/> (ENGLISH)

In this expo, we will be showcasing our high-efficiency gear motors and gear boxes for servo motors in hopes of meeting our customers' need in energy conservation and cost reduction. Please feel free to drop by our booth for any questions and inquiries.

Tickets to this expo may be purchased through our website (URL below). We are looking forward to meeting our valued customers at the booth.

Tickets sign up : <https://www1.nissei-gtr.co.jp/en/form/oversea.php>
 (Please specify the number of tickets needed under "Inquiry Details")
